

Das wissen wir  
bereits über  
Magnete!

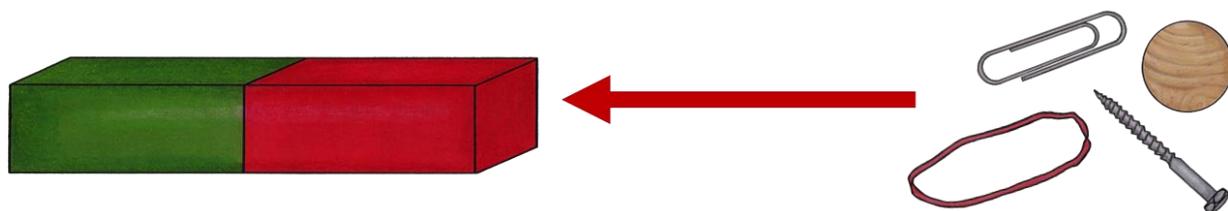

©freuleinberg

Das möchten wir  
noch wissen!

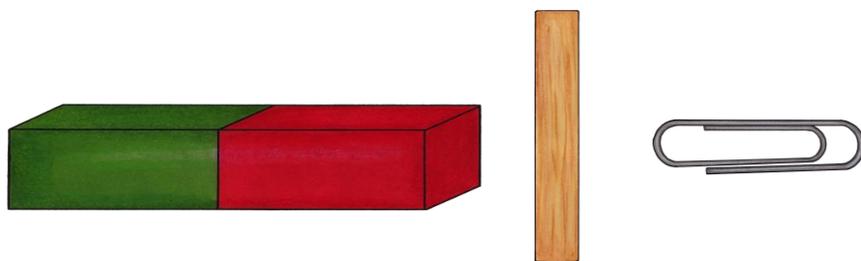

©freuleinberg

Was wird von einem  
Magneten angezogen?

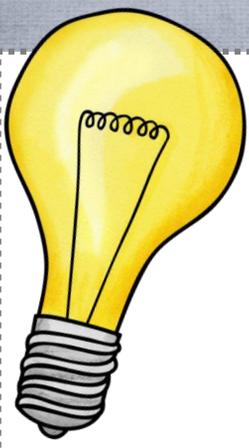

©freuleinberg

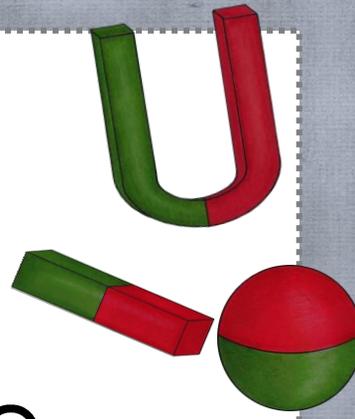

Wirkt die Magnetkraft  
durch Materialien?

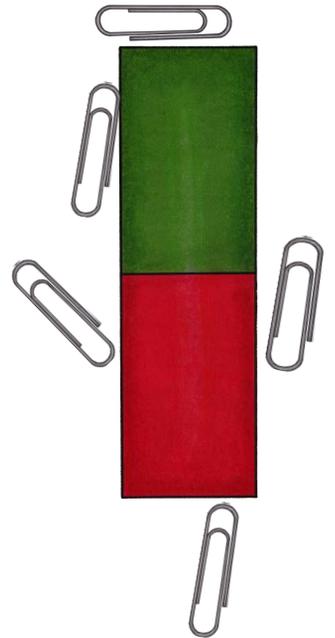

©freuleinberg

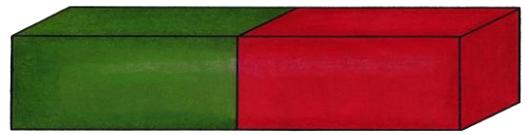

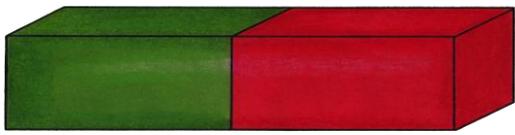

Wir lernen  
verschiedene  
Magnete kennen!

Wo ist die  
Magnetkraft  
am stärksten?

Die Kraft zweier  
Magnete.

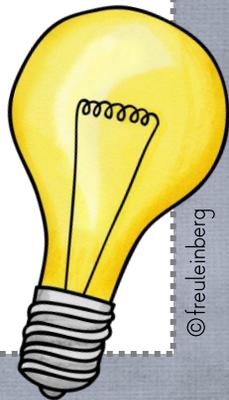

Wir stellen  
einen eigenen  
Magneten her!

Wir experimentieren  
mit Magneten!

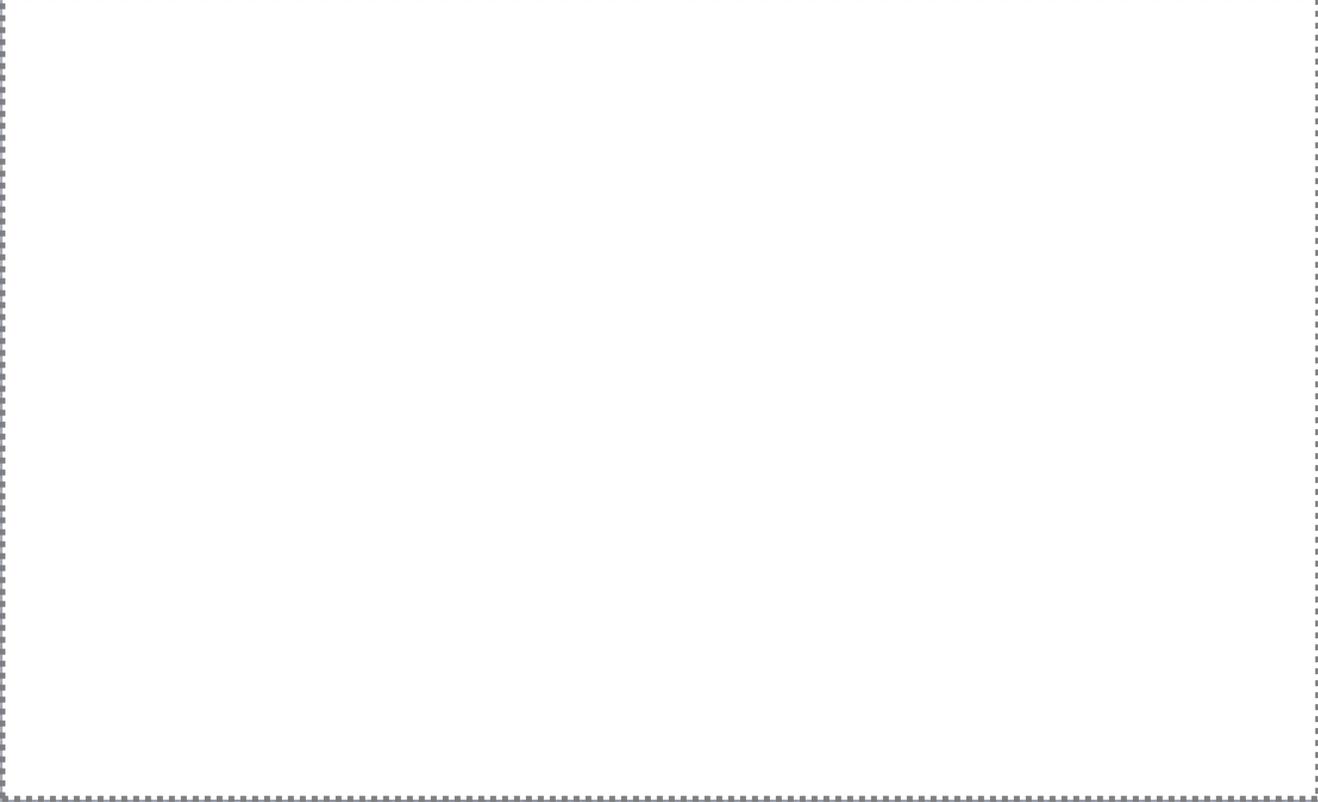

© freuleinberg

Das wissen wir nun  
über Magnete!
